

My past partner in Zambia, Hugh Holmes, meets me in Washington D.C. to plan future ministry together. God is giving us rich ministry and influence with Christian leaders here in the USA and overseas!

National pastors being equipped and encouraged

1,500 leaders from all over the world came together at the O.M. Conference in UK to celebrate God's faithfulness and plan for greater outreach in the future.

May God give you a grateful Thanksgiving ... and blessed Christmas & New Year!

How exciting and strategic to place spiritual tools in the hands of workers who have so little!

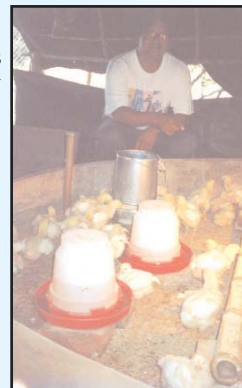

CONGRATULATIONS to **VANESSA**, our youngest, who will graduate from college in December with a BA in Family Studies. She loves the Lord and is a blessing to many. Pray for her future.

A special pastor's daughter receiving an educational scholarship and bicycle to develop her potential.

"Self-sufficiency" is the missionary issue many ignore; but in our ACIBEN churches of Nicaragua, they are experimenting in raising chickens to support themselves.

As we work TOGETHER, God moves mountains and busses!

Ana Maria works so diligently with the sewing machine we were able to provide.

Please Note!

We are enclosing a brochure which gives more information about our new local mission organization (H.I.M.). Our ministry is still the same, just under a new affiliation. Also enclosed is a return slip and envelope for your convenience, your gifts are tax-deductible. Our accounting services are done by the following non-profit specialist:

WE WOULD ASK YOU TO PLEASE CONTINUE WITH US AS WE WALK THROUGH THIS NEW DOOR OF OPPORTUNITY.

This is a time when we really need your fresh response and commitment to our lives and ministry. Thank you in advance for trusting the Lord

From the **HEART** of Fred & Barb Kornis...

"To everything there is a season"... You will find the whole context of this timeless part of God's Word on the next page. As throughout my book, *Mighty Man and His Miniature God*, you can find very important Scriptures that stimulate, focus and clarify the ideas of my heart. (Have you read it yet? ☺) If you need a copy, just request one with the enclosed envelope, and we will send one right out to you - **FREE!**

Barb and I have entered a **new season** of life in many ways. Some of our peers and friends have already "retired" from the military and various careers after 25-30 years of service. We still feel like we are just beginning and cannot conceive of "retirement"! Even with four grown (wonderful!) children and ten (so far...?) fast changing grandchildren, we are trying to "adjust" and mature gracefully! **YOUR FRIENDSHIP and PRAYERS** continue to play such a vital and practical part in our "seasons of life." I have just been reading the classic book by Paul Tournier entitled, *The Seasons of Life.* All of us must continually learn to adjust and understand our "seasons of life." Are you "reading" anything for your spiritual growth?? See my latest reading list inside.

Change is often hard, but necessary in God's mysterious, personal and challenging ways! **PRAISE THE LORD...** We have enjoyed such powerful ministry and fellowship with Operation Mobilization, Open Air Campaigners and Ambassadors for Christ International for over 30 years! **WOW!** How amazing! This is another tribute and evidence of the existence and glory of God (...and your faithfulness)! Amen? We continue to have a healthy affiliation with each of these ministries and many others in different ways.

God has now directed us to move out in another way, by starting a new ministry called **Heartland International Ministries (H.I.M.)**. We resisted and hesitated for some time, but now must surrender, obey and step out of our comfort zone. **Will you do the same?**

We need fresh "faith, hope and love" as we launch out! **PLEASE PRAY FOR US** and consider a special gift to help us start up this new ministry. We are helpless... yet encouraged - all at the same time. Little will change in our involvements and various ministries, but we have to be constantly open to God. See our new "team" on the following pages - already ministering through **H.I.M.**

It is still weird when someone asks, "What do you do?" and expects a simplistic "canned" answer. (Some ideas are found inside this letter). Hopefully, your imagination and relationship with Barb and me, along with the enclosed brochure, will be enough to encourage your continued prayers and support. of you understand the challenges of making big **transitions**. me personally (913-962-1248) if you have any questions.

From the **HEART** of Jack jansson...

DURING this year, Mary Jo and I have been privileged to lead five groups on home-building and street ministry trips to the border area of El Paso, Texas. Four of these groups built homes in the "squatter's village"/colonia of Puerto de Anapra just outside of Juarez, Mexico and one group ministered in inner-city El Paso. One amazing result from these trips is that God has answered our prayers. He has raised up a brother from another church who has been on three trips with us and impassioned him to replicate home-building missions trips to Anapra. He (Bill) and his wife, Linda, led a trip during mid-October to reach out to a needy Mexican family and provide them a home (12' x 20' - 2 rooms). Please pray for them as they carry the love of Christ to this poor family.

Presently, Mary Jo and I are working and praying about our "in-town" ministry, which we believe is to be assisting widows and orphans. We hope to begin assisting ladies in inner-city churches, initially on a once-per-month basis.

Also, we believe that we need to take the majority of next year to do the foundational / positioning

A Time for Everything...
(From Ecclesiastes 3)

There is a time for everything, and a season for every activity under heaven:

A time to be born and a time to die, a time to plant and a time to uproot,
A time to kill and a time to heal, a time to tear down and a time to build,
A time to weep and a time to laugh, a time to mourn and a time to dance,
A time to scatter stones and a time to gather them, a time to embrace and a time to refrain,
A time to search and a time to give up, a time to keep and a time to throw away,
A time to tear and a time to mend
A time to be silent and a time to speak,
A time to love and a time to hate
A time for war and a time for peace. ♥

Books for the Heart

Recent books we've been reading this year

Prophetic Untimeliness - OS Guinness
Brothers, We Are Not Professionals - John Piper
Out of the Comfort Zone - George Verwer
A Life God Rewards - Bruce Wilkerson
Measure Your Life - Leslie Duesel
Pagan Christianity - Frank Viola
Brother Bakht Singh of India - T.E. Koshy
Terrorism, Jihad and the Bible - John MacArthur

The "ART" of READING is in danger of being lost... keep your READING skills UP!

JUST because we read a book doesn't mean we absolutely agree with everything in it. But God does use earthen vessels. He has stirred and spoken to my heart afresh through these books and many others! Thanks to George Verwer of Operation Mobilization for challenging us and modeling a lifestyle of spreading quality books to educate, enlighten and equip believers in the body of Christ! ♥

F. Kornis

From the **HEART** of Joanne Larue...

GOD has blessed as I've been involved in inner-city ministries here in the USA as well as in Brazil, England and Jamaica over the years. I also enjoy working in Youth Camps and local church outreach on the East Coast.

My ministry partner, "Shauna" and I are seen here standing in front of Washington Bible College. This is where both Vicky Rogers and I trained for Christian ministry and graduated from as we launched

From the **HEART** of Vicky Rogers...

I just want to say "THANK YOU" for standing with me during these last 15 years with your prayers and / or support. God has used YOU to encourage me to stay in the ministry He has called me to. Now I continue to covet your prayers and support as I continue to serve our Lord with Fred and Barbara Kornis in our new mission organization, Heartland International Ministries. My ministry of administrative work and visitation will remain the same. We have sensed God's leading in this direction

The youth responded with many life-changing commitments... nailing them to a cross!

Hundreds of the next generation are regularly impacted by Fred's ministry and challenged to live in the realities of our risen Lord!

WARNING

WE are in the 'last days!' Both Old and New Testaments speak clearly about His moment of history. Wild fires rage out of control, power shortages surprise many, terrorists are everywhere, wars and violence spill blood daily, hellish perversion and wickedness is celebrated, financial confusion spreads, stress and fears are mounting, sickness and death cover the earth...there is no time for fooling ourselves!

WAKE UP! SEEK THE LORD! CRY OUT FOR MERCY! Soon, we will all slip into ETERNITY...keep this before your hearts!

DO NOT BE DECEIVED OR DISTRACTED
"The whole earth groans and travails..." (Romans 8:18-23)
Many of my precious friends and family are suffering, hurting and sometimes dying! I feel so helpless...longing to comfort or help so many. I ache and agonize; yet, by faith, commit each one to the grace of God! PRAY...please PRAY... that we can somehow be a channel for God's wonderful Gospel! ♥

HE ALONE IS OUR LIFE AND HOPE!!
